Explanation - Amendments number one and two increase the base budget of the Management and Finance Division of the Department of Fish, Wildlife and Parks by \$812,195 of state special revenue each year of the biennium and decreases the Office Rent Increase by the same amount. This corrects a line-item error that was made when the bill was drafted.

Amendments number three and four are technical amendments adding \$750 proprietary fund authority in FY08 and \$13,000 proprietary fund authority in FY09 to the Department of Agriculture E-Government Information Technology (OTO) line item and reduces the base line item for the Central Management Division by a like amount. This corrects an error that was made when the bill was drafted.
